APPENDIX 1 - Standard Conditions Regarding Sexual Entertainment Venues	16
APPENDIX 2 - Sexual Entertainment Code of Practice	21

Preface

This Policy Statement sets out the authority's requirements for premises to be licensed as Sexual Entertainment Venues ("SEVs") within the meaning of Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 ("1982 Act") as amended by Section 27 of the Policing and Crime Act 2009.

Adoption of Schedule 3 also allows the Authority to set terms and conditions and fees for the grant, variation, renewal and transfer of such licences and the number of premises to be licensed in an area, which may be nil.

The Authority adopted the original provisions of Schedule 3 of the 1982 Act for Sex Cinemas and Sex Shops on 25th April 1983 and the new provisions for SEVs under the amendments of the Policing and Crime Act 2009 on 11th October 2010.

Consultation was conducted with local residents, existing and future potential holders of SEV licences in the Borough, the statutory responsible authorities under the Licensing Act 2003, and holders of Premises Licenses and Club Premises Certificates under the Licensing Act 2003 in the Borough.

The Authority does not take any moral stand in adopting this policy. The Authority recognises that Parliament has made it lawful to operate a sex establishment and that such businesses are a legitimate part of the retail and leisure industries. It is this Authority's role as the Licensing Authority to administer the licensing regime in accordance with the law.

In formulating this policy statement consideration has been given to:

- a) The legal requirements of the 1982 Act (as amended);
- b) The Home Office Sexual Entertainment Venues Guidance for England and Wales;
- c) Section 17 of the Crime and Disorder Act 1998 to take all reasonable steps to reduce crime and disorder within the Borough;
- d) The Regulators Compliance Code;
- e) Equality Act 2010; and
- f) The Provisions of Services Regulations 2009 and associated guidance.

The Borough of Cheltenham

The Authority is one of six district authorities within Gloucestershire.

The Area

Until the late 1700s, Cheltenham was a small market town that became a fashionable resort after spa waters were discovered. Over the years it has attracted major employers and has gained a reputation for being an international festival town. This, together with its architectural heritage, educational facilities and quality environment, makes Cheltenham an attractive place to live, work and play.

The borough, which includes 5 parishes, has a population of approximately 118,000 who live in 20 wards. The borough is mainly urban with some areas of surrounding countryside. It covers an area of approximately 4,680 hectares of which 17% is designated as green belt and 22% as an area of outstanding natural beauty.

1. Introduction

- 1.1 This policy statement sets out the Authority's guidance, application procedure, terms and conditions relating to the regulation of SEVs.
- 1.2 This policy statement will guide current licence holders, potential licence holders, the public and the Authority when considering applications for SEVs.
- 1.3 This policy statement applies to every type of SEV (as defined in the Act) unless an exemption applies.
- 1.4 Whilst each application will be considered on its individual merits, this policy statement is intended to give prospective applicants an early indication of whether their specific application is likely to be successful and the material facts that will be taken into consideration when determining the application. This policy statement also sets out the expectations of the Authority on the applicant when receiving an application.
- 1.5 Applications for grant or variation and opposed applications to renew and/or transfer, will be determined by the Authority's Licensing Committee. Unopposed applications to renew and/or transfer will be determined by the relevant director in accordance with the Authority's constitution and scheme of delegation.

2. Definitions

The 1982 Act - This refers to Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 as amended by section 27 of the Policing and Crime Act 2009.

SEV - Means Sexual Entertainment Venue as defined by section 27(3) of the Policing and Crime Act 2009.

The Policy Statement - This refers to this policy statement.

The Relevant Locality - Refers to the locality in which an application for a SEV licence has been made in respect of a premises, vehicle, vessel or stall.

The Character of the Relevant Locality - The character of the Relevant Locality where the premises is situated will be instrumental in determining whether or not the grant of a licence will be appropriate. This is a proper matter for the Authority to consider based on local knowledge, factors and circumstances.

The Authority - Means Cheltenham Borough Council.

The Premises - This is the premises, vessel, vehicle or stall which is subject to a SEV licence. The premises will be in possession of all appropriate consents and permissions required to operate.

Permitted Hours - These are the hours of activity and operation that have been authorised under the SEV licence.

Display of nudity – means (a) in the case of a woman, exposure of her nipples, pubic area, genitals or anus; and (b) in the case of a man, exposure of his pubic area, genitals or anus.

3. Waivers

- 3.1 Schedule 3, paragraph 7 of the Local Government (Miscellaneous Provisions) Act 1982 makes provision for the Authority to issue waivers. The effect is that it will remove the requirement for a licence.
- 3.2 The power to waive licensing requirements is not a substitute for licensing, and applicants will be expected to demonstrate exceptional circumstances in justifying why the licensing requirement should be waived in their case.
- 3.3 In considering applications for waivers, the Authority's general approach will be:
 - 3.3.1 Waivers must be sought in respect of a temporary event.
 - 3.3.2 Waivers will not be granted for events that include relevant entertainment (i.e. striptease, lap-dancing, pole dancing or similar activities) recognising that a statutory exemption already exists for infrequent sexual entertainment.
 - 3.3.3 Licensable activities (that would normally have required a licence) must principally be ancillary and kept to an absolute minimum to other activities not licensable under the provisions of the 1982 Act.
 - 3.3.4 Waivers will only be considered, on its merits, in exceptional circumstances.
- 3.4 Applications will be considered by the Licensing Committee, or delegated sub-committee thereof, and reasons shall be given of the decision taken.
- 3.5 A waiver may be for such period as the Authority sees fit. Where the Authority grants an application for a waiver, notice will be given to the applicant stating that it has granted the application. The Authority may at any time give a person who would require a licence notice that the waiver is to terminate, on such date not less than 28 days from the date on which it gives the notice, or as may be specified in the notice.

7. Public Notices

7.1 A notice must be displayed at or on the premises to which the application relates for a period of no less than 21 consecutive days beginning with the date of the application, where it can be conveniently read from the exterior of the premises.

7.2 Where the premises cover an area of more than 50 square metres, a further identical notice must be displayed every 50 metres along the external perimeter of the premises abutting any highway.

7.3 The notice must be on pale blue paper sized A4 or larger and printed legibly in black ink or typed in black in a font size equal to or larger than 16.

7.4 The notice must state:

- a) the details of the application and activities that it is proposed will be carried on or from the premises;
- b) the full name of the applicant;
- c) the postal address of the premises, or in the case where there is no postal address, a description of the premises sufficient to enable the location and extent of the premises to be identified;

7.5 A similar notice must be published in a local newspaper circulating in the area within 7 days of giving the application to the authority.

8. Variation of a Licence

8.1 The holder of a SEV licence may apply at any time for any variation of the terms, conditions or restrictions on or subject to which the licence is held.

8.2 The process of applying for a variation is the same as that for applying for an initial grant except that a plan of the premises is not required unless the application involves structural alterations to the premises.

9. Renewal of a Licence

9.1 The holder of a SEV licence may apply for renewal of the licence. In order for the licence to continue to have effect during the renewal process, a valid application form together with the appropriate fee must be submitted before the current licence expires.

9.2 The process of applying for the renewal of a licence is the same as that for applying for an initial grant except that a plan of the premises is not required.

9.3 The authority will not accept applications for the renewal of a SEV licence more than 3 months in advance of the renewal date.

Acquired Rights

9.4 It is acknowledged that there are currently licensed Sexual Entertainment Venues within the borough that have been continuously licensed for a number of years.

9.5 It has been determined that these existing licences will continue to be renewed, on application, by the existing operators during the lifetime of this policy if there is no material change in the character of the area in the intervening period. If there are any objections to an application, it will be considered by the Licensing Committee in accordance with the relevant statute. This essentially provides acquired rights and a presumption in favour of granting renewal applications to these existing operators for the current time.

10. Transfer of Licence

10.1 A person may apply for the transfer of a licence at any time.

10.2 The process of applying for the transfer of a licence is the same as that for applying for an initial grant except that a plan of the premises is not required.

11. Determination

11.1 Mandatory Grounds for Refusal

11.1.1 A licence will not be granted:

- a) to any person under the age of 18 years;
- b) to any person who is for the time being disqualified due to the person having had a previous licence revoked in the area of the appropriate authority within the last 12 months;
- c) to any person, other than a body corporate, who is not resident in an EEA State or was not so resident throughout the period of six months immediately preceding the date when the application was made; or

- d) to a body corporate which is not incorporated in the United Kingdom or an EEA state; or
- e) to any person who has, within a period of 12 months immediately preceding the date when the application was made, been refused the grant or renewal of a licence for the premises, vehicle, vessel or stall in respect of which the application is made, unless the refusal has been reversed on appeal.

11.1.2 If the authority finds any of these grounds apply then it must refuse the application.

11.2 Discretionary Grounds for Refusal

11.2.1 A licence may be refused where:

- a) the applicant is unsuitable to hold the licence by reason of having been convicted of an offence or for any other reason;
- b) if the licence were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a licence if he made the application himself;
- c) the number of SEVs in the relevant locality at the time the application is made is equal to or exceeds the number which the authority consider is appropriate for that locality (nil may be an appropriate number for these purposes);
- d) that the grant or renewal of the licence would be inappropriate, having regard:
 - to the character of the relevant locality; and/or
 - to the use to which any premises in the vicinity are put; and/or
 - to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.

11.2.2 Applications for the transfer of an issued SEV licence may only be refused on grounds (a) and (b) above.

11.2.3 Any decision to refuse a licence must be relevant to one or more of the above grounds.

12. Factors for consideration

Discretionary grounds (a) and (b)

12.1 In considering the suitability of those persons referred to in (a) and (b) above the factors the authority may take into account includes:

- relevant experience;
- relevant criminal convictions;
- whether the person has committed relevant offences;
- relevant observations or findings by public authorities, including licensing authorities,

- in connection with the conduct of the person or their ability to manage and control
- premises;
- relevant findings by courts and tribunals in connection with the treatment of protected groups (within the meaning of the Equality Act 2010)
- information germane to the person's ability to, among other things:
 - ensure the safety and wellbeing of performers;
 - ensure the proper protection of the public;
 - ensure the suitability of employees, performers and others using the venue;
 - prevent performance by or for those who may thereby be harmed, including minors;
 - understand and adhere to conditions imposed on any licence granted and
 - ensure they are observed by others on the premises;
 - engage constructively with the Council and other relevant regulators

Location of Premises

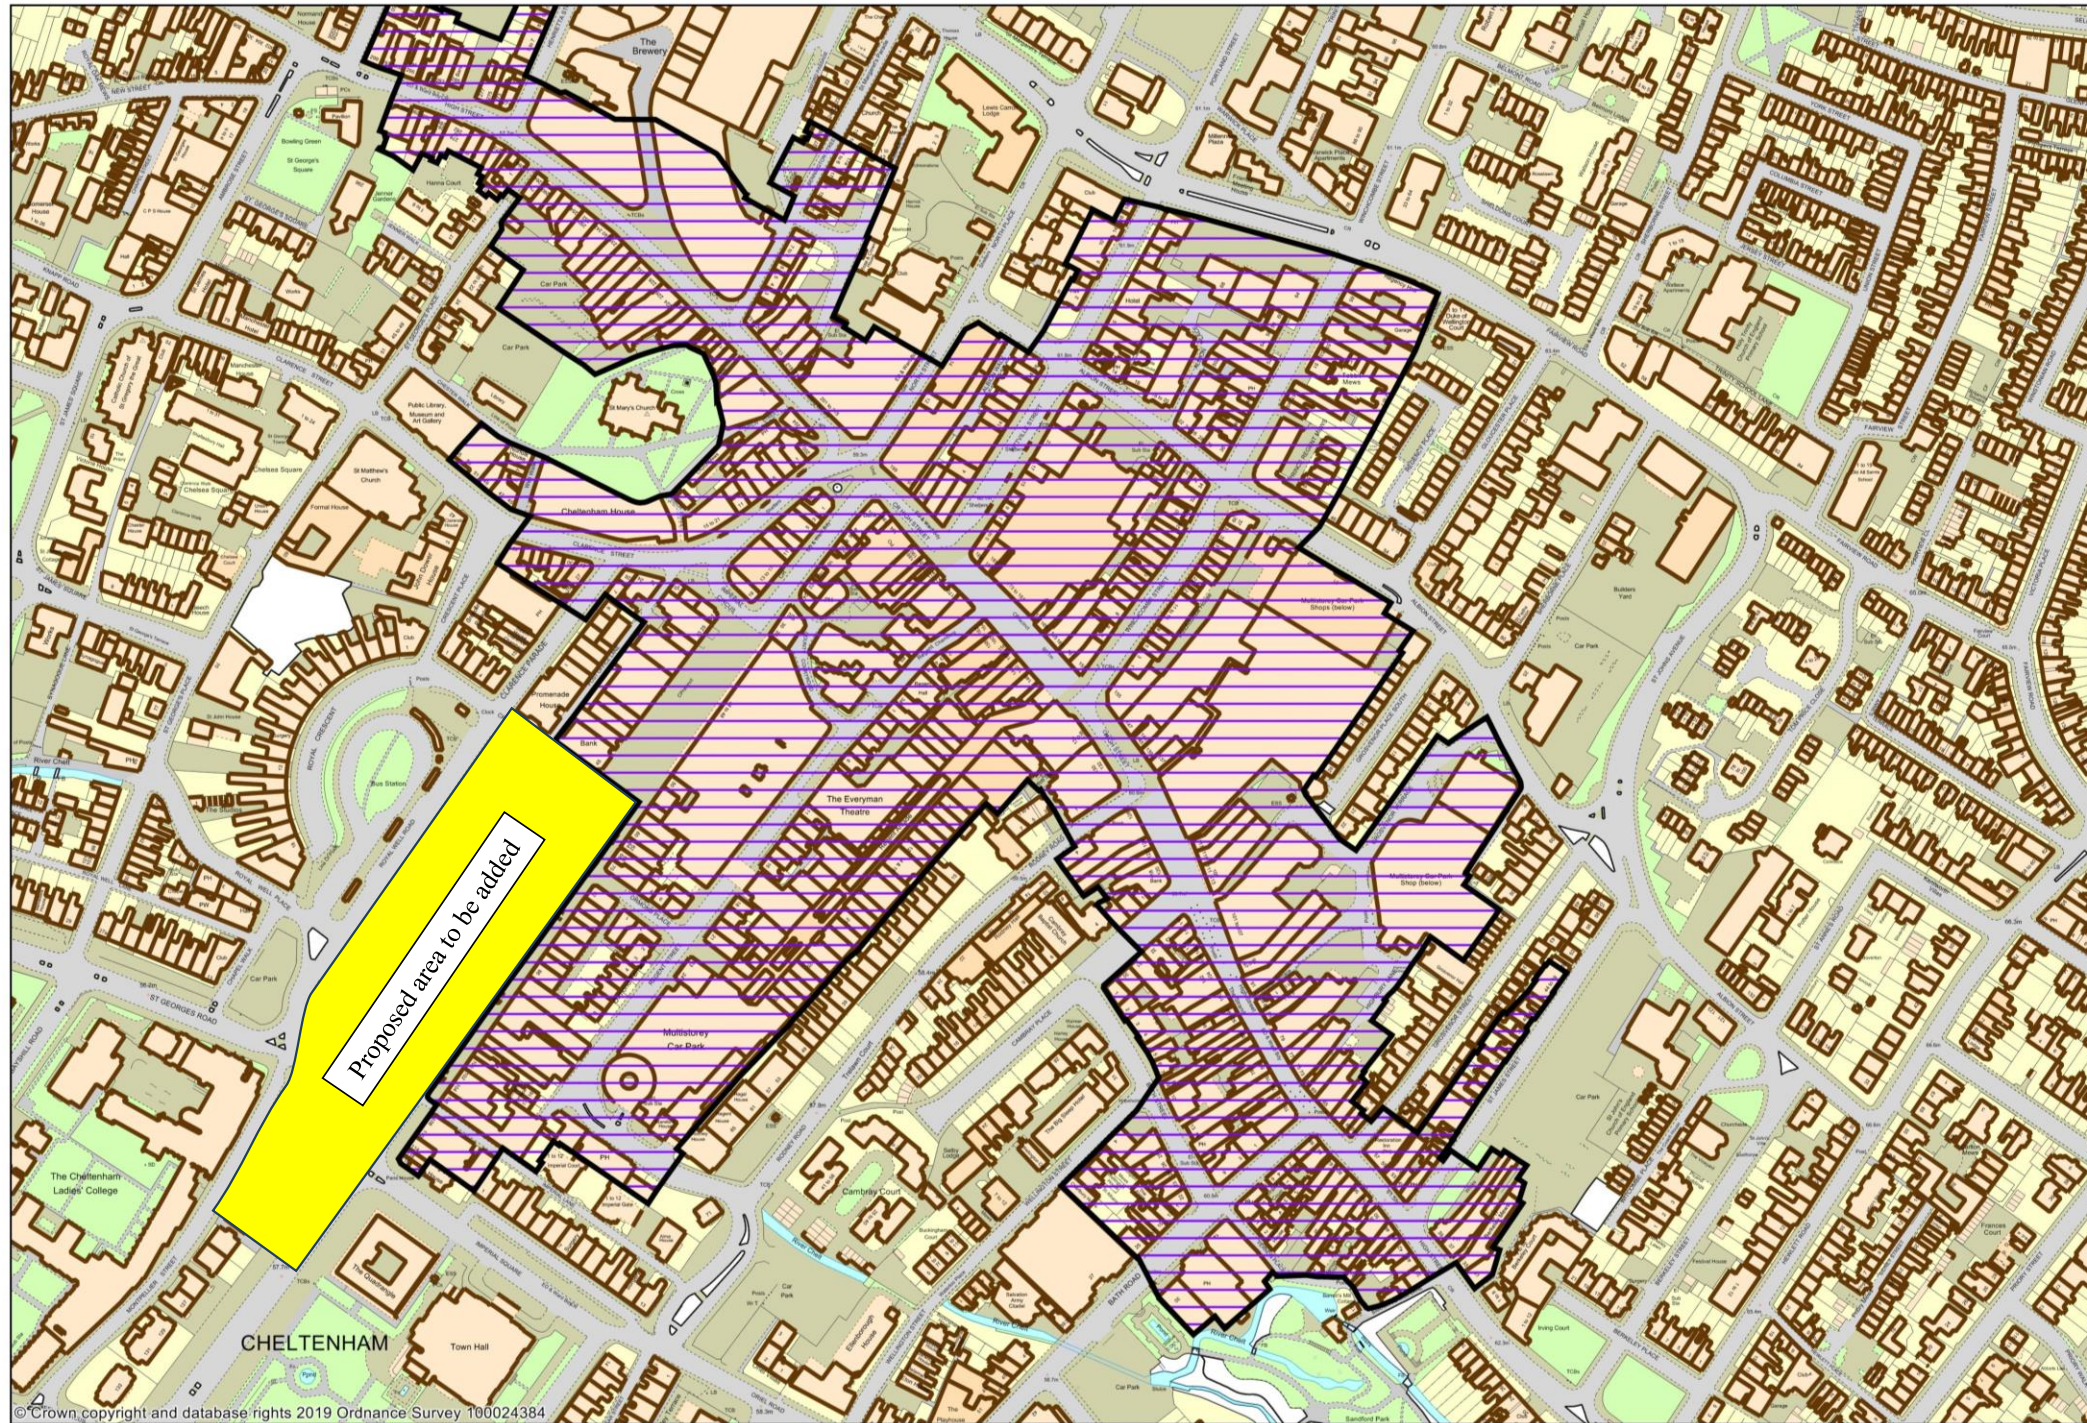

12.2 In deciding the appropriate number of premises to be licensed, the authority must consider the character of the relevant locality and what is the appropriate number of SEVs for the relevant locality. The number can be 'nil'.

12.3 The authority resolved to set two relevant localities:

12.3.1 Designated Permitted Area – The authority recognises that the "Designated Permitted Area" within the town centre offers a varied situation in as much as it has a wider mix on offer, particularly in the nighttime economy and it may therefore be appropriate to consider applications for SEVs in this area. **The authority has therefore resolved that it will set a maximum limit of two licensed SEVs within the Designated Permitted Area** providing those premises are not near properties with sensitive uses or in sensitive locations (see 11.4).

12.3.2 Any other area in the borough of Cheltenham - Cheltenham is a relatively small urban borough that is predominantly residential in nature. The authority has already resolved that it is inappropriate to licence SEVs in or in the vicinity of, amongst others, residential areas. The authority has therefore resolved that there is no locality outside of the Designated Permitted Area in which it would be appropriate to license a SEV. Accordingly, **the appropriate number of SEVs for outside of the Designated Permitted Area is nil.**

Fig 1 – Designated Permitted Area (shaded)

Properties with sensitive uses or in sensitive locations

- 12.1 In considering if the grant, renewal or variation of the licence would be inappropriate, having regard to the character of the relevant locality or to the use to which any premises in the vicinity are put, the authority shall consider, amongst other things, whether the grant of the application would be appropriate, having regard to:
- a) The fact that the premises are sited in a residential area;
 - b) Whether the premises are sited near shops used by or directed at families or children, or on frontages frequently passed by the same;
 - c) Whether the premises are sited near properties which are sensitive for religious; and/or
 - d) Whether the premises are sited near premises or areas which are sensitive because they are frequented by children, young persons or families.
- 12.2 When determining an application for the grant of a SEV licence, the authority shall have regard to the policy statement, the relevant guidance issued by the Home Office and provisions set out above, but subject to the overriding principle that each application will be determined on its merits.
- 12.3 Applications in respect of premises must state the full address of the premises.
- 12.4 Applications in respect of a vehicle, vessel or stall must state where it is to be used as a SEV.
- 12.5 The authority would normally expect that applications for licences for permanent commercial premises would have the appropriate planning consent for the property concerned.

13. Granting a Licence

- 13.1 All applications for the grant of a new SEV licence will be referred to the authority's Licensing Committee for determination.
- 13.2 In determining the application, the Licensing Committee will have regard to this policy statement, any limitation on the number of permitted SEVs, the merits of the application and any objections, if any, that have been made.

14. Objections

- 14.1 When considering an application for the grant, renewal, variation or transfer of a SEV licence the authority will have regard to any observations submitted to it by the Chief Officer of Police and any objections that have been received from anyone else within the statutory consultation period.
- 

- 14.2 Any person can object to an application provided that the objection is relevant to the discretionary grounds for refusal of a licence.
- 14.3 Objections should not be made on moral grounds or values and the authority will not consider objections that are not relevant to the grounds mentioned above.
- 14.4 Objectors must give notice of their objection in writing, stating the general terms of the objection.
- 14.5 Where the authority receives notice of any objection it will, before considering the application, give notice in writing of the general terms of the objection to the applicant. However, the authority shall not without the consent of the person making the objection reveal their name or address to the applicant.
- 14.6 Objections may only be made within the period of 28 days following the date on which the application was made to the authority.

15. Hearings

- 15.1 Where applications are referred to a Licensing Committee, the hearing will take place within 20 working days of the end of the period in which objections may be made.
- 15.2 The hearing provides all parties to the application, including those making objections, the opportunity to air their views openly and those views will be considered by the Licensing Committee.

16. Appeals

- 16.1 There is no right of appeal:
- a) Against the mandatory grounds for refusal as detailed in section 11.1.1 (a), (b), (c), (d), and (e) above, unless the applicant can prove that the ground of refusal does not apply to them, and
 - b) Against the grounds as detailed in Section 11.2.1 (c) and (d) which can only be challenged by the applicant by way of judicial review.
- 16.2 All relevant grounds for appeal, other than these detailed at point (a) and (b) above can be made to the Magistrates Court within 21 days from the date on which the person is notified of the decision.

17. Fees

- 17.1 The fees set are deemed to be reasonable to cover the cost of administration, enforcement in relation to licensed operators, inspections and any hearings and are not refundable.

18. Standard Conditions

- 18.1 The Standard Conditions for Sexual Entertainment Venues are attached at Appendix 1.

19. Specific Conditions

19.1 Under schedule 3(8) of the 1982 Act the authority may grant to an applicant, and from time to time renew, a licence for SEV on such terms and conditions and subject to any restrictions as may be specified. These specific terms and conditions will be tailored for each individual premises and each type of SEV licence.

20. Duration of Licence

20.1 The authority, unless there are exceptional circumstances for doing so, shall grant a licence for the maximum duration of one year at a time, to provide certainty to those persons operating businesses.

21. Exempt Sexual Entertainment Code of Practice

21.1 The Government has seen fit to exempt infrequent sexual entertainment from requiring a licence. Whilst the authority recognises and accepts this, it is also acutely aware that unless it is properly managed there are risks to public protection & safety, an increased likelihood of associated crime & disorder and an inability of regulatory bodies to respond accordingly.

21.2 Whilst the authority cannot legitimately impose restrictions on infrequent sexual entertainment, it has formulated an Exempt Sexual Entertainment Code of Practice. The intention of the code of practice is to promote responsible and properly managed exempt sexual entertainment. The authority expects any premises wishing to offer infrequent sexual entertainment to adhere to the code of practice.

21.3 A copy of the code of practice is attached at Appendix 2 of this policy statement.

22. Policy Review

22.1 This policy statement will be reviewed at least once every three years.
